Welcome to Amherst

-- a vibrant community with many cultural offerings, a world-class university and colleges, a history and tradition of liberal thought, and home to poets, artists, educators, and the creative spirit.

The Amherst Public Art Commission,

with the support of the Business Improvement District and Amherst Cultural Council, has published this guide for residents and visitors to enjoy our public art, galleries, and museums--all part of the cultural landscape of Amherst. The guide focuses on a downtown cultural tour, but you will find additional art venues, such as those listed at the Colleges and UMass, also of interest and worth exploring.

For a free cell phone friendly map to over 60 art installations and galleries, visit www.amherstma.gov/arttour
